

## Call for Candidates to the Board 2012-13

### Dear Delegates!

As we announced in the last newsletter (October), two of the present Board Members have decided to leave the board next year. In addition, we have gone through the present period with only six instead of seven Board members. We are pleased to say that, so far, 3 new candidates have come forward for election. That guarantees the three vacant seats will be filled this year. However, there is still time to be considered and, if we do have more than seven candidates in total the delegated vote at the AGM will determine which of them will become Board Members!

We meet 4-5 times a year, normally in Paris. A good working knowledge of English will be required as all communication and meeting are held in English. Travel expenses are covered.

We would be pleased to find a person with some financial skills among the candidates - but every delegate who feels like contributing with ideas and skills in the process of running the ACI, both the ongoing tasks and the developing of our organisation in the future, are more than welcome!

According to the ACI statutes your candidacy must be announced to the present Board on **December 4th** the latest!

## Events news

### 2CV Spain 2013

At the Board meeting on November 26th, representatives of the organising team of the 2CV World Meeting 2013 in Alcañiz Spain were present to give their event a more detailed presentation. After a period with some uncertainty, the Board were both impressed and convinced that this event is in the best possible hands - and we can now without any worries or doubts recommend that this meeting is accepted and voted ACI Event of the Year 2013!

This will be the first major Citroën event in Spain for more than 40 years - and it will be more than "just" another 2CV World Meeting; open for all classic Citroëns and with exciting aspects like racing and other activities.

You will find more information at [www.2cvspain2013.com](http://www.2cvspain2013.com). Furthermore, we expect to send more details to all Delegates within a few days.

As a Delegate you can already now send us your vote for 2CV Spain (or against it?). Just write to [board@amicale-citroen-internationale.org](mailto:board@amicale-citroen-internationale.org)

The organisers have reviewed the problems experienced by many who had registered for their event and will explain how they will deal with this during their final presentation at the AGM.
